3 --o0o--

4 MR. DOSICK: My name is Scott Dosick,  
5 D-O-S-I-C-K, president of the North Natomas  
6 Transportation Management Association.

10-1 | 7 And I am here in strong support on behalf of  
8 North Natomas's residents and businesses in support of  
9 the DNA line. Greatly committed to see RT having gone  
10 this far. Hope to see things move very quickly.

10-2 | 11 And I wanted to let them know that our shuttles  
12 that we run from North Natomas to Downtown are at  
13 complete capacity right now; there's nothing else we can  
14 do to get people out of their cars.

15 And we would support RT starting to consider very  
16 aggressively how they are going to fund the operational  
17 aspects of the future operational segments as quickly as  
18 possible. That is, without operational money, the  
19 capital investments won't make a difference. And please  
20 let us know what we can do to help you throughout the  
21 process.

22 Thank you.
