The Sacramento Regional Transit District will be the Lead Agency and will prepare an Environmental Impact Report (EIR) as required by the California Environmental Quality Act (CEQA) for the project identified below. We need to know the views of your agency as to the scope and content of the environmental information, which is germane to your agency's statutory responsibilities in connection with the proposed project. Due to the time limits mandated by State law, your response must be sent at the earliest possible date but not later than 30 days after receipt of this notice.
