

Ride RT to the McClellan Business Expo

McClellan Park is offering the public a special opportunity to interact with more than 250 companies at the 2nd annual McClellan Business Expo.

The event will be held on Thursday, October 6, from noon to 4 p.m. at 3034 Peacekeeper Way in McClellan Park.

The exciting one-day event will feature park tenants and vendor exhibitors looking to meet new clients, generate sales leads, and network with business leaders throughout the Sacramento region.

A range of interactive events and activities will be offered. The event is free and open to the public.

Take RT to the Expo. Routes 1 and 85 serve McClellan Park.

For more information about the Expo, visit www.mcclellanpark.com/expo. For route and schedule information, visit www.sacrt.com or call 321-BUSS (2877).

Ride with the GM in October

Look for Mike Wiley, RT General Manager/CEO, on the RT bus and light rail system throughout the month of October. "Ride with the GM" is an opportunity for RT riders to meet Mike, ask questions and provide suggestions.

While you are traveling for work, school, shopping, appointments or leisure, you can catch Mike as he rides the routes. You may have seen Mike before, since he regularly rides the system, but please take a moment and say hello and introduce yourself.

Check RT's website throughout October for specific dates, routes and times.

Join the Haunt at Safetyville USA

On Saturday, October 22, Safetyville USA will offer young children a scary good time in a safe environment at the 20th annual Halloween Haunt from 11 a.m. to 4 p.m.

Help RT Prioritize Transit Needs – Take the Survey

RT is currently developing "TransitRenewal," a comprehensive in-depth analysis of the entire RT bus and light rail system that will result in recommendations for transit service improvements that will be implemented over the next five years.

The need for the analysis was identified after economic conditions required RT to implement major service reductions in June 2010. The outcome of TransitRenewal will provide recommendations that will determine how to restore, restructure and "renew" transit service by developing the most efficient and effective transit network possible, within available funding.

The study includes a comprehensive public outreach process that includes community meetings and a number of other ways for RT customers and stakeholders to provide their input. Help RT prioritize the transit needs for the Sacramento region by visiting the project website at www.sacrt.com/transitrenewal. There you will find more information about the TransitRenewal project, have the opportunity to complete a survey regarding your transit usage and needs, and sign up to be added to the email list.

We encourage everyone to participate in the process! Comments or requests for printed copies of the survey can be sent via email to the project team at transitrenewal@sacrt.com.

Transit Talk with the General Manager

Can I still help RT prioritize transit needs by completing a TransitRenewal survey online at www.sacrt.com/transitrenewal?

What is the status of the Green Line to the River District?

When will RT begin construction on the Blue Line to Cosumnes River College light rail extension?

Have you asked yourself one of these questions? If so, get the answers directly from Mike Wiley, General Manager/CEO, by logging on to RT's monthly online chat "Transit Talk with the General Manager" at www.sacrt.com on Friday, October 7, from noon to 1 p.m.

On the first Friday of every month, Wiley will accept questions from the public and provide immediate feedback on the issues you're concerned with.

No registration is required to participate and questions will be accepted two hours before the session, up to the conclusion of the chat. For more information and instructions, visit www.sacrt.com and click on the "Transit Talk" icon.
