2. Representatives located at a station(s) must have a copy of the approved agreement at each location where activity is taking place and have available to show upon request by SacRT personnel and/or contracted security guards.
3. Permission is granted provided:
 - A. There is no disruption to SacRT's service or patrons as they walk to and from trains.

Expressive activity is only permitted where access is available to the general public, and prohibited in SacRT's Paid Fare Zone, which is reserved for ticketed passengers. **No material may be distributed on SacRT's light rail station platforms within the designated boarding area or on board trains.** SacRT personnel and/or contracted security guards will require representatives to relocate to another area if in the Paid Fare Zone.
 - C. SacRT reserves the right to revoke permission if SacRT determines that the activity is interfering with SacRT's provision of service.
 - D. If distributing materials, the distributor agrees to clean up any related material(s) littering the light rail station.
