5 Easy Steps to Ride the Bus

Plan your trip in advance by visiting sacrt.com for routes and schedule information, or call 916-321-BUSS (2877).

Board the bus and place exact fare in the farebox (operators don't carry change), or show your valid ticket or pass, activated mobile fare, or tap your Connect Card.

Find the closest bus stop and stand by the sign, but not in the street. Have exact change ready, or use the convenient Connect Card, or ZipPass mobile fare app. When the bus approaches, look for the route name and number on the top front of the bus. Wave to the bus operator to stop.

Sit down, relax and watch for your destination. One block before your destination, pull the overhead cord once to ring the bell to activate the stop request.

Wait for the bus to come to a complete stop and exit.
