

Attachment 1: SacRT Accolades

“ SacRT has transformed itself over the last few years, winning over the hearts and minds of the community. With successful and popular programs like RydeFreeRT and SmARt Ride on-demand microtransit, SacRT is setting best practices for the industry and exceeding the needs of our community.”

Congresswoman Doris Matsui,
U.S. House of Representatives, CA 6th District

“ I applaud SacRT for stepping up and being proactive for the region. From deploying WiFi services, assisting seniors get to their medical appointment and food delivery, helping the homeless, and promoting the census count, SacRT has gone above and beyond in assisting the community by providing transit, while keeping their riders and staff safe during the pandemic.”

Fiona Ma,
California State Treasurer

“ SacRT has become a true community partner, dedicated to improving the mobility and quality of life for all Sacramento area residents. The Annexation agreements are uniting the region and providing for a well-connected and robust transit network that helps residents access their jobs, schools, and other important services.”

Congressman Ami Bera,
U.S. House of Representatives, CA 7th District

“ When Folsom made the decision to annex transit services to SacRT, Henry Li and his expert team worked with our City Council, our staff, and most importantly, our ridership community to ensure that high quality transit services would continue to be provided. Since annexation, SacRT has also taken transit services in our city to a new level, adding smart ride and other desirable, user-friendly services.”

Elaine Andersen,
Folsom City Manager

“ RydeFreeRT has been an incredible service and benefit for Sacramento area students and families. The program makes transportation to and from school, work, and activities, much more reliable and accessible for our students. Our district is proud to partner with SacRT to offer this free ride program that has helped to reduce absenteeism and improve student success in our high poverty district.”

Jorge A. Aguilar,
Superintendent Sacramento City
Unified School District

“ Our continued partnership with SacRT is critical to serving people that may not otherwise be able to access vaccination locations – including people with physical disabilities and transportation barriers. We’re grateful for SacRT’s hard work and commitment to serving our community throughout the pandemic and as we look forward to recovery.”

Dr. Olivia Kasirye,
Sacramento County Public Health Officer

“ Not just a public transit provider, SacRT has been a tremendous community partner, finding new and unique ways to support Downtown, its residents and businesses.”

Michael T. Ault,
Executive Director,
Downtown Sacramento Partnership

“ We are proud to partner with our innovative friends at SacRT to bring Via’s technology to Sacramento.”

Daniel Ramot,
Co-Founder and CEO of Via

“ The free ride to my vaccine appointment was one less thing I had to worry about, I can’t thank SacRT enough.”

Melaine Cadile,
SacRT GO Paratransit Services customer

“ To whomever initiated the SmARt ride Service, thank you! That is one of the greatest service that SacRT has ever rolled out. Please continue to fund and develop this program. I have been spreading the word on this to everyone.”

Shah Khan,
SmARt Ride customer
