A serious/extended illness or injury which is expected to incapacitate the employee and which creates a financial hardship because the employee has exhausted all of their sick leave and other leave credits. Catastrophic illness or injury may also include an incapacitated family member if this results in the employee being required to take time off from work for an extended period of time to care for the immediate family member and the employee has exhausted all of their sick leave and other leave credits.

The prolonged illness or injury should preclude the employee from working and result in financial hardship, normally defined as at least two weeks without pay. Such catastrophic illness or injury may include, but is not limited to heart attack, stroke, kidney failure, cancer, incapacitating disease, major surgery, treatment for a life threatening illness, or hospitalization as a result of a serious automobile or other accident. The Director of Human Resources will make the final determination on the type of illness or injury and situation, which would qualify the employee for use of the catastrophic leave program.

ARTICLE 30 – LAYOFF AND RECALL

30.01 Definition of Layoff

Layoff shall be defined as an involuntary separation from employment, due to lack of funds and/or lack of work. If SacRT determines that a layoff is

necessary, SacRT will meet with the UNION in a timely fashion to discuss the effects of the layoff and/or other options.

30.02 Order of Layoff

When a layoff is necessary, employees will be laid off to the extent practicable, for optimum operating efficiency, as determined by SacRT, within the affected department and classification, in the following order:

- A. Temporary Employees
- B. Personal Services Contract Employees
- C. Part-Time Employees
- D. Full-Time Employees

In classifications where there are 2 or more employees in the same affected employment classification, employees will be laid off pursuant to the above criteria in the following order: lowest SacRT seniority, lowest classification seniority in their department, lowest departmental seniority.

In the event there are 2 or more employees with the same SacRT seniority, classification and departmental seniority, a decision will be made by drawing lots.

30.03 Notification of Layoff

- A. Written notification will be given to affected employees and the UNION as much in advance of the anticipated layoff date as possible, but no later than 45 calendar days. If a Federal or California Worker Adjustment and Retraining Notification (WARN) Act is applicable to the layoff, SacRT shall provide affected employees notification of at least 60 days. Notification will be hand delivered to the employee whenever possible. If the employee is unavailable for hand delivery, notification will be mailed, via certified mail, to the employee's most recent address on record in the Human Resources Department.

B. Bumping In Lieu of Layoff

When a layoff is deemed necessary, affected employees will be laid off in inverse order of their seniority as established in Article 11 and Section 30.02 above. In lieu of being laid off, an employee may elect to bump to:

- 1. A position in the same classification in a different department.

or

2. Any lower classification within the employee's current job hierarchy/series;

or

3. If employed in a job classification not part of a job hierarchy/series they may bump into the most recent non-probationary classification held;

or

4. An individual notified of layoff and unable to bump into a position pursuant to 1, 2 or 3 above, may apply for any position being recruited using the Internal/External process in Section 10.01B.3. If the employee is ultimately selected for the job, they will retain recall rights to the position from which they were to be laid off. If recall is declined, the employee will remain in the position of their then current employment.

In order to bump to a position pursuant to 1, 2, or 3 above, the employee must have more SacRT seniority per Article 11 of this MOU than the least senior employee in the affected classification who will be displaced.

To be considered for demotion in lieu of layoff, an employee must notify the Office of Labor Relations in writing, within 7 calendar days of receipt of the notice of layoff.

30.04 Separation Upon Layoff

An employee who is laid off will be paid the balance of their accrued floating holidays, vacation, CTO, and $\frac{1}{3}$ of their sick leave balance at the time of layoff.

30.05 Recall List

Individuals laid off will be placed on a Recall List for recall to openings in the job classification from which they were laid off, in SacRT seniority order. SacRT shall fill a vacancy in these classifications from the list prior to filling the vacancy from any other source (except for employees on Light Duty).

30.06 Notification of Recall From Layoff

A notice of recall shall be sent by certified mail, return receipt requested, to the employee's most recent address of record. If a notice of recall is returned

as “undeliverable”, the employee will be removed from the Recall List for recall and SacRT may then notify the next most senior employee from the recall list.

30.07 Recall From Layoff

- A. With the exception of temporary light duty assignments, no position in any AFSCME Administrative Technical Unit classification will be filled by a new hire, contract worker or part-time worker until the recall procedure has been exhausted.
- B. An employee offered recall pursuant to Article 30.05 will be given 15 calendar days from date of receipt of the notice in which to respond. In the event an employee offered recall pursuant to Article 30.05 declines the offer of recall or fails to timely respond to the offer, the employee will be removed from the Recall List and SacRT may then notify the next most senior employee from the Recall List.
- C. An employee offered recall pursuant to Article 30.05 will be given 15 calendar days from the date of receipt of the notice in which to respond. In the event an employee offered recall pursuant to Article 30.05 declines the offer of recall or fails to meet the minimum qualifications for the position, the employee will remain on the Recall List described in Article 30.05 and SacRT may then notify the next most senior employee from the Recall List. In the event the employee fails to timely respond to the offer, the employee will be removed from the Recall List.
- D. If a vacancy is not filled by the individual previously holding the classification in the department, which has been identified for recall, SacRT will notify all others within the same job classification in different departments of the vacancy on the current Recall List. Award of the vacancy will be based upon SacRT seniority. Individuals declining the opportunity for this recall will remain on the Recall List for a vacancy in the classification in the department from which they were originally laid off.
- E. An individual returning to a position in a classification other than that held when originally laid off shall retain recall rights to the position from which they were originally laid off, should a recall be issued within the 24 month recall period.
- F. A position not filled after exhausting this recall procedure will be filled through SacRT’s customary recruitment procedures, per Article 10 of this MOU.
- G. An individual returning to employment pursuant to accepting a recall offer shall return with their pre-layoff SacRT service intact and will begin accruing benefit entitlement at the pre-layoff rate. The balance of the

employee's sick leave that was not paid to the employee upon layoff shall be reinstated to the employees leave balances.

SacRT may request verification from the employee that they are continuing

participation in a medical insurance plan through another source. The employee must provide satisfactory documentation of their participation within 15 calendar days of SacRT's request.

An employee not paying the delinquent premium will be dropped from coverage. In the event an employee is not in “active service” due to an industrial illness or injury, the benefit continuation time period shall be extended from 6 months to 18 months under the same terms and conditions. 35.05 Submission of Request for Reimbursement

In order to enroll in the Education Assistance Reimbursement Program, an employee must obtain a Request for Education Reimbursement form from Human Resources. This form must be completed, approved by Management, and submitted prior to the course beginning. The employee will be required to submit the following along with the request form:

Requests are normally submitted before the fall, spring, and summer semesters. As funds are available on a “first-come, first-served” basis, requests submitted after the semester has begun may be denied.
- E. Course Evaluation – An evaluation of the course after its completion may be required.

ARTICLE 36 – EMPLOYEE ASSISTANCE PROGRAM

36.01 SacRT provides confidential counseling services to employees and members of their families, at no cost, through an Employee Assistance Program (EAP). The service is provided through an independent organization with a full staff of professionals who are trained in helping people resolve problems in daily

living. The number of EAP visits is limited pursuant to the terms of SacRT's contract with the EAP provider. Further information is available from the Human Resources Department.

ARTICLE 37 – FITNESS FOR DUTY MEDICAL EXAMINATION

- 37.01 SacRT may require an employee at any time as a condition of continued employment, to undergo a medical examination to determine the mental or physical fitness of the employee to perform the duties of the job. The expense of the examination shall be borne by SacRT. The physician scheduled to conduct the examination shall be selected from the panel of Qualified Medical Evaluators (QME) maintained by the State of California, practicing in the medical specialty relevant to the employee.
- 37.02 Should the result of the examination reveal a temporary disability with a prognosis that the employee is expected to return to their regular job duties, they will be placed on Long Term Illness or Injury Medical Leave of Absence until returned to work or the expiration of the leave. The employee is required to fully cooperate with the physician and comply with their prescribed treatment.
- 37.03 Should the result of the examination confirm or reveal that the employee is disabled from returning to their job duties, the employee will be referred for evaluation and determination as to whether or not alternative work is available, or processed for a medical separation from employment or disability retirement, if applicable.
- 37.04 In the event there is a difference in medical opinions between the employee's physician and the chosen Fitness for Duty Physician as to the employee's fitness to work, a third medical evaluation shall be conducted. The physician shall be jointly selected by SacRT and UNION from the State QME list of physicians practicing in the medical specialty pertinent to the employee's condition. The cost of this medical evaluation shall be borne by SacRT. The decision of the selected physician shall be final and the employee's case will be handled pursuant to either Section 37.02 or 37.03, above, as appropriate.
- 37.05 Notwithstanding the provisions of this Article, nothing herein shall be interpreted or applied in a manner, which conflicts with SacRT's obligations under applicable Federal or State statute(s).

ARTICLE 38 – DRUG AND ALCOHOL TESTING AND REHABILITATION PROGRAM

- 38.01 All employees covered by this Agreement deemed to be safety-sensitive pursuant to the Department of Transportation (DOT) and Federal Transit

Administration (FTA) Testing Regulations (49 CFR Parts 40 and 655) or non safety-sensitive as identified in SacRT's Drug and Alcohol Testing and Rehabilitation Policy are required to comply with all applicable provisions of SacRT's adopted Drug and Alcohol Testing and Rehabilitation Policy, as revised. Job Classifications designated as safety-sensitive or non safety-sensitive are identified in SacRT's Drug and Alcohol Testing and Rehabilitation Policy. The Policy, as may be amended from time to time to maintain compliance with DOT FTA Drug and Alcohol Testing Regulations, will be distributed to all employees following adoption of mandatory changes. Aspects of the Policy not required by the regulations are subject to negotiations by the parties.

- 38.02 Nothing herein shall be interpreted so as to limit SacRT's right to assess disciplinary action, including termination for misconduct associated with a decision to direct a prohibited substance test under the terms of this Policy. Issues related to the administration of the program may be made the subject of a grievance as outlined in the Collective Bargaining Agreement.
- 38.03 An employee directed to undergo a drug and/or alcohol test pursuant to the Policy shall be afforded an opportunity to confer with a UNION representative if one is reasonably available, when reporting to the urine collection/breath alcohol testing site.
- 38.04 All time spent undergoing a directed drug or alcohol test shall be considered as compensable time under regular pay status, including overtime if applicable. An employee who is notified of a positive test result and requests a test of the split specimen will continue on paid status until the result of the second test is received. If the verified result is positive, the employee will be immediately taken off regular paid status, placed on a leave of absence and referred to the Substance Abuse Professional (SAP) for evaluation and treatment. Employees may use accumulated sick leave and/or vacation time during their absence for treatment.
- 38.05 A safety-sensitive employee that has been off work for 90 consecutive days or longer must undergo a pre-employment drug test and receive a negative result prior to returning to safety sensitive work. Such employee must contact their department at least 14 calendar days in advance of the expected date of return. Employees will receive 2 hours pay or pay for actual time spent undergoing the test. An employee initiating the pre-employment test as specified above who is medically cleared to return to work but is held up due to a delay in SacRT not receiving the result will be paid for work time lost. An employee failing to initiate the drug testing process in advance of reporting to work will not receive pay for work time lost due to undergoing the required pre-employment test and awaiting the results until the lapse of 14 calendar days from the date of the test.

38.06 Documentation of drug and/or alcohol test results shall remain in an employee's record in accordance with the time periods set forth in the DOT FTA regulations. Upon written request, an employee may obtain copies of any records pertaining to their drug or alcohol tests. SacRT shall provide promptly the records requested by the employee. Upon receiving a written release signed by the employee, SacRT will provide the UNION with all records pertaining to the test and the reported result. SacRT maintains employee record confidentially in accordance with all applicable DOT FTA regulations. Except as may be authorized or required by law, and as permitted herein, any release of this information is prohibited without the express written permission of the employee tested.

The following represents the steps undertaken by SacRT and employee in the event of a positive drug or alcohol test result.

- A. SacRT will notify the employee of a verified positive test result.
- B. SacRT will notify the employee of a scheduled appointment with the SAP. The employee's attendance and participation at the appointment and in the treatment program as recommended by the SAP are mandatory.
 - 1. If SacRT is notified that the employee failed to complete the program as specified by the SAP, then the employee is discharged from employment.
- C. The employee completes the treatment program specified by the SAP.
 - 1. If the employee tests negative on a Return-to-Duty test, they are returned to work and are subject to unannounced drug and/or alcohol testing as determined by the SAP. Such testing is in addition to the other program testing and shall be a minimum of 6 unannounced tests during the first year.
 - 2. If the employee has a positive Return-to-Duty test, then the employee is discharged from employment.
- D. After returning to work:
 - 1. If an employee receives notice of a verified positive drug or alcohol test during the follow-up testing period for any reason, then the employee is discharged from employment.

2. If the employee has no verified positive test during the follow-up testing period, then the unannounced follow-up testing is discontinued.
- E. A second positive drug and/or alcohol test, for any reason, in violation of the DOT/FTA Drug and Alcohol Testing and Regulations or SacRT's Drug and Alcohol Testing and Rehabilitation Policy, during an employee's length of employment with SacRT will result in termination from employment.

38.08 Voluntary Request for Substance Abuse Treatment

SacRT provides a drug and alcohol rehabilitation program for employees needing treatment for drug and alcohol abuse. Employees may voluntarily request a referral to the treatment program by contacting the Labor Relations Department. An employee voluntarily seeking treatment will be placed on a leave of absence and may utilize their accrued paid sick leave, CTO and/or vacation during the absence. An employee voluntarily seeking and entering a treatment program must successfully complete the program requirements or be subject to termination from employment. An employee notified to undergo a drug or alcohol test may not seek treatment under this voluntary treatment procedure. An employee may undergo voluntary treatment a maximum of 2 times during their length of employment with SacRT.

The following represents the steps undertaken by SacRT and employee in the event of a voluntary request for referral to the substance abuse treatment program:

- A. The employee voluntarily requests rehabilitation for a drug/alcohol problem.
- B. The employee is scheduled for an appointment with the SAP. The employee begins a designed treatment program.
 1. SacRT is notified that the employee has been dismissed for cause from the rehabilitation program, then the employee is discharged from employment.
- C. The employee completes the SAP recommended treatment program.
 1. If the employee tests negative on a Return-to-Duty test, then the employee is returned to work and is subject to unannounced follow-up testing, as determined by the SAP. Such testing is conducted under the authority of SacRT and is in addition to other DOT/FTA program testing.

2. If the employee has a positive Return-to-Duty test, then the employee is discharged from employment.

D. After returning to work and within the follow-up testing period:

1. If the employee is notified of a positive drug or alcohol test, for any reason, then the employee is discharged from employment.

E. At the conclusion of the follow-up testing period, the follow-up testing is ended.

A verified positive test, for any reason that is outside of the follow-up testing period, is handled pursuant to the procedure as set forth in Section 39.07 above, provided that the employee has utilized no more than 2 voluntary treatments.

ARTICLE 39 – SAFETY AND SANITATION

- 39.01 No employee shall be disciplined or discharged for refusing to work under hazardous, dangerous or unhealthful conditions not normally associated with their position.

ARTICLE 40 – UNION BUSINESS – CONTRACT ADMINISTRATION

- 40.01 SacRT and UNION shall have their respective authorized representative's meet on all grievances that may arise during the life of this Agreement. A list of authorized UNION and SacRT representatives will be provided to each other in writing and kept current. The UNION Business Agent shall be permitted to transact business on the premises of SacRT during working hours but shall not unreasonably delay any employee during their work time.
- 40.02 UNION Job Stewards are allowed a reasonable amount of time away from the worksite to meet with members who have a grievance and to investigate matters pertaining to grievances. Such time shall not exceed 2 hours per request. Stewards and affected employees shall notify the supervisor of the need to be away from the worksite and shall only leave the worksite with express approval of said supervisor. Employees shall be mindful of SacRT's operational needs. Supervisors shall make every effort to release employees when possible, as stated above.
- 40.03 Shop Stewards will be allowed up to 2 hours per month, off duty, to attend UNION Shop Steward Meetings. The UNION will notify SacRT at least 2 business days in advance of the meeting time. Employees attending Shop Steward Meetings during work time will not lose compensation.

- 40.04 Authorized UNION representatives, who are employees of SacRT, conducting UNION business in the administration of this Agreement, are subject to all rules and regulations regarding the conduct of employees on the premises of SacRT.
- 40.05 Should the UNION or SacRT desire to discuss any general labor-management problems not pertaining to grievances, a meeting shall be arranged upon request. Paid time lost by an employee for performing UNION duties shall not affect years of service or earning averages for pension purposes.
- 40.06 Release Time and Pay for Negotiations
- A. UNION Officers shall be paid for all time lost to meet with SacRT to negotiate changes to this Agreement or new conditions not covered in this Agreement.
 - B. The UNION Officers to be paid for participating in negotiations shall be limited to no more than 5 people as designated by the UNION.
 - C. Neither party will take advantage of the other by changing traditional times for negotiations.

ARTICLE 41 – DISCIPLINARY ACTION

- 41.01 Generally, SacRT subscribes to the principles of progressive disciplinary action when deemed necessary to correct employee conduct in the performance of their job. All disciplinary action meted out will be based upon the principles of just cause, as deemed sufficient and appropriate by SacRT. Such disciplinary action may consist of the following corrective steps:
- A. Oral Warning
 - B. Written Warning or Reprimand
 - C. Suspension From Employment Without Pay
 - D. Termination From Employment
- 41.02 Nothing herein shall be construed as to limit SacRT's ability to administer a level of disciplinary action, including termination from employment for behavior, the nature of which warrants a level of discipline outside the ordinary

progression steps. Examples of such behavior constituting such discipline includes the following:

- A. Possession and/or Consumption of any alcoholic beverage while on duty, whether or not found to be in violation of SacRT's DOT FTA Drug and Alcohol Testing Policy.
- B. Fighting (excluding for one's defense) or engaging in acts that provoke a fight with another employee or member of the public while on duty.
- C. Hostile or aggressive acts of insubordination.
- D. Unlawful discrimination, including harassment, on the basis of race, religious creed, color, national origin, ancestry, disability, medical condition, genetic information, marital status, sex/gender, sexual orientation, gender identity/gender expression, military or veteran status or age, against the public or other employees.
- E. Theft, misappropriation, or misuse of SacRT funds or property, including theft of paid time.
- F. Negligent conduct that jeopardizes the health and/or safety of another employee or member of the public.
- G. Tampering or unauthorized altering of information or records of SacRT.
- H. Lying or submitting false or misleading information in connection with the performance of one's duties.
- I. An act of gross incompetence in the performance of one's duty.
- J. Vandalism of SacRT property or destruction of SacRT property resulting from negligence.
- K. Possession without a prescription, consumption, selling or offering to sell, giving or offering to give any controlled substance as defined in California Health and Safety Code Sections 11053 to 11058, inclusive, while on duty or subject to duty whether or not in violation of SacRT's Drug and Alcohol Testing and Rehabilitation Policy.
- L. Unlawful retaliation against any SacRT officer or employee or member of the public who in good faith reports, discloses, divulges, or otherwise brings to the attention of the Attorney General or any other appropriate authority any facts or information relative to actual or suspected violation

of any law of this State or the United States occurring on the job or directly related thereto.

M. Fraud in securing appointment.

N. Improper political activity in violation of State or Federal law.

O. Conviction of a felony or a misdemeanor involving moral turpitude. A plea of guilty or a conviction following a plea of nolo contendere is deemed a conviction for this purpose.

41.03 No complaint will be used for discipline unless written and signed by the complainant, and conforms to all requirements of Section 41.04. Before suspension or discharge is assessed, the employee and their representative will be allowed to question all witnesses. The presence or absence of any other complaints or charges entered on the employee's record in the preceding year, except as modified by Section 41.05 below, and in accordance with all requirements of Section 41.04, will be considered before assessing suspension or discharge. Nothing in this Agreement shall prevent management from discussing with an employee a complaint or charge that does not conform to these requirements. The UNION shall be given copies of all signed complaints pertaining to employees.

41.04 An employee whose act(s) or omission(s) warrant the administration of disciplinary action will be presented with a 'Charge Letter' within 15 business days of the infraction or 15 business days from when the infraction became known or should have been known by the employee's supervisor. The Charge Letter will describe the infraction and level of disciplinary action. Notice of such charge shall be in writing and delivered personally, or sent by certified mail to the employee's last known address. Date of receipt of the Charge Letter shall begin the time limits. A copy of the charge letter will be sent to the UNION. An employee contesting the proposed disciplinary action or the level of discipline may file a grievance pursuant to the procedure set forth in Section 42.03, Formal Grievance – Step 1.

41.05 The employee will be afforded 10 business days, from the date of receipt of the Charge Letter, to schedule an appointment, in which to present, orally or in writing, their response to the acts or omissions on which the discipline is proposed. The employee's response will be taken into consideration in whether or not to continue, modify or eliminate the disciplinary action. The final decision of SacRT will be issued to the employee and UNION, in writing, within 10 business days. An employee contesting the disciplinary action or the level of discipline may appeal the decision pursuant to Section 42.04, Formal Grievance – Step 2.

41.06 Copies of all disciplinary documentation shall be forwarded to the Human Resources Department for filing in the employee's personnel file. Any disciplinary documentation not involving statutory violation, which exceeds the time limits below, will not be considered in subsequent disciplinary actions:

1. Oral Warning..... 6 months
2. Written Warning 1 year
3. Final Written Reprimand 18 months
4. Suspension without pay..... 3 years

Disciplinary action involving statutory violation shall be retained in the employee's personnel file indefinitely. It shall be the responsibility of the employee to request in writing, through the Office of Labor Relations or Human Resources Department, that outdated disciplinary documentation be removed from their personnel file after the required time period has passed.

41.07 If upon review of a suspension or a discharge, it is found that an employee was improperly suspended or discharged, they shall be reinstated to their former position without loss of seniority and with all of the salary they would have earned had they not been suspended or discharged, paid to them. If the review should show that a penalty was justified, but the penalty imposed was too severe, the employee shall be returned to duty as above, and that portion of their lost salary, which was determined to be excessive, shall be paid to them. It is agreed that, if it is found that the discipline was improperly assessed, no entry shall be made on the employee's record of such discipline; if the discipline was properly assessed, but found to be excessive, proper notations shall be made in the employee's records.

ARTICLE 42 – GRIEVANCE PROCEDURE AND ARBITRATION

42.01 Definitions

A. Grievance: A claimed violation, misapplication, or misinterpretation of a specific provision of this Memorandum of Understanding (MOU), a misinterpretation of SacRT policy and procedures, or a disciplinary action, which adversely affects the grievant or a group of similarly situated employees. In such latter case, the grievance may be consolidated and presented as a single grievance.

B. Grievant: May be an employee, a group of employees, or the UNION.

42.02 Informal Discussion

An employee may request an informal discussion with the management representative at the level, which the act being grieved was initiated. The informal discussion does not extend the time limits requirement outlined in Section 42.03, Formal Grievance – Step 1.

42.03 Formal Grievance – Step 1

- A. An employee, a group of employees, or the UNION, who has a grievance, shall fill out a grievance form provided by the UNION. The grievance shall be written up with a clear indication of the question(s) raised by the grievance and the article(s) or sections(s) which have been violated. The grievance form shall be signed by the grieving employee and/or the UNION Representative. The written grievance shall be dated and signed as received by the appropriate Management Representative.
- B. The initial written grievance must be presented within 10 business days after the employee receives notice, either orally or in writing of SacRT's adverse position, or within 10 business days after the employee could reasonably have been expected to know they had a grievance, or sooner.
- C. The Management Representative receiving the written grievance shall schedule a hearing within 10 business days, and shall present their decision in writing within 10 business days after the date of the hearing, and such decision shall state the facts upon which their decision is based, including the remedy or correction offered, if appropriate.
- D. The Grievance Appeal Protocol will generally be as follows:

- Step 1 – Department Manager/Manager/Director
- Step 2 – Division EMT Member
- Step 3 – AVP of Human Resources and Labor Relations or designee
- Step 4 – Arbitration

In the event a charge letter is issued, the grievance appeal procedure shall be the same as above.

- E. Oral warnings and written reprimands shall only be grievable through Step 3 of the grievance process. The written decision of the AVP of Human Resources and Labor Relations or designee shall be final.

42.04 Formal Grievance – Step 2

If the grievant and/or the UNION Representative are not satisfied with the decision rendered at the First Step, then the grievance shall be presented to

the appropriate Management Representative within 5 business days, and a hearing scheduled within 10 business days. The Management Representative shall present their decision in writing within 10 business days after the hearing, and shall state the facts upon which their decision is based, including the remedy or correction offered, if appropriate.

42.05 Formal Grievance – Step 3

- A. If the grievant and/or UNION Representative are not satisfied with the decision rendered at the Second Step, then the grievance shall be presented to the AVP of Human Resources and Labor relations, or designee, within 5 business days, and a hearing held within 10 business days.

The AVP of Human Resources and Labor Relations, or designee, shall present their decision in writing within 10 business days after the hearing, and shall state the facts upon which their decision is based, including the remedy or correction offered, if appropriate.

42.06 Grievance Time Limits

- A. Time limits in this Article may be extended by mutual agreement.
- B. Failure of either party to comply with time limits as set forth above will serve to declare the grievance settled in favor of the other party and no further grievance action can be taken.

42.07 Mediation

Either party may request mediation following a Step 3 response that does not resolve the grievance (or after Step 2 for a grievance over discipline). Should both parties agree, they will meet with a mediator and try to resolve the grievance. In the event that the grievance is not resolved, the UNION shall have 30 calendar days from the close of mediation in which to submit a written request for arbitration to the AVP of Human Resources and Labor Relations or designee.

42.08 Binding Arbitration

- A. If a grievance is not settled in accordance with the foregoing procedure, the UNION or SacRT may refer the grievance in writing to binding arbitration within 30 business days after receipt of the AVP of Human Resources and Labor Relations (or designee's) answer in Step 3. The parties shall attempt to agree upon an arbitrator within 5 business days after receipt of the notice of referral. In the event the parties are unable to agree upon an arbitrator within the 5 business day period, the parties shall

jointly request that the California State Mediation and Conciliation Service (CSMCS) submit a panel of 7 arbitrators. Representatives of SacRT and UNION shall alternately strike names from the list until one remains who shall be the arbitrator. The order of striking names from the list shall be determined by a coin toss. The CSMCS shall be notified of the selection and direct the arbitrator to contact the designated representatives of SacRT and UNION. The hearing shall be scheduled at a date, time and place mutually acceptable to the arbitrator, SacRT and UNION. Unless the parties agree otherwise, all arbitration hearings will be held in Sacramento, California.

- B. The arbitrator shall act in a judicial, not legislative capacity and without express agreement by the parties, shall have no authority to recommend to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The arbitrator shall only consider and make decisions with respect to the specific issue(s) submitted and shall have no authority to make a decision on any other issue(s) not so submitted. In the event the arbitrator finds a violation of the terms of this Agreement, they shall fashion a remedy. The arbitrator shall be without power to make a decision contrary to or inconsistent with or varying in any way the application of laws, rules and regulations having the force and effect of law. The arbitrator shall submit their written decision within 30 calendar days following the close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to an extension thereof. The decision shall be based solely upon the interpretation of the meaning and application of the express terms of this Agreement to the facts of the grievance presented. A decision rendered consistent with the terms of this Agreement shall be final and binding on all concerned.
- C. The fees and expenses of the arbitrator, the cost of a transcription service, and the cost of the hearing room, if applicable, shall be divided equally between SacRT and UNION.
- D. Either party may call any employee as a witness, and such employee if on duty, shall be released from duty for the purpose of such appearance. Such employee shall suffer no loss of pay, nor incur overtime. The Grievant shall be released and similarly compensated.

ARTICLE 43 – EXPEDITED ARBITRATION

- 43.01 Expedited arbitration will be used for the resolution of grievances in cases where the parties mutually stipulate to do so.
- 43.02 The following procedures shall apply to all expedited arbitrations:

- A. Except in cases involving discharge of an employee, neither party may be represented by an attorney.
- B. SacRT and the UNION will each submit 2 calendar days prior to the hearing, a pre-hearing statement to the neutral arbitrator with a copy to the other party, outlining its position and appending whatever exhibits it wishes to present. An employee's attendance record before the month in question will stand as previously determined and will not be subject to further factual dispute.
- C. The presentations of the parties may be made by way of statement by the parties' representative, presentation of witnesses or both, but the hearing will be informal and rules of evidence will be liberally construed. A court reporter will transcribe the proceedings, but a transcript will be prepared only upon request of either party, and paid for by the requesting party. If the other party requests a copy of the transcript as well, the cost will be divided equally.
- D. Following each case, the neutral arbitrator will moderate a discussion with the objective of achieving agreement between the parties. If the parties cannot agree, the neutral arbitrator will determine the award. The award will be announced orally to the parties, including the employee, and will be documented in writing at the hearing but will not include a written opinion. The award will be final and binding, but will not be used as a precedent in any other case.
- E. The fee and expenses of the arbitrator and reporter will be shared equally by the parties. The reimbursement of wages for employees called as witnesses, where loss of wages have been incurred by said employee, will be paid by the party calling the witness. Witnesses will be scheduled so as to minimize disruption of SacRT service and/or UNION business.
- F. The parties may select a neutral arbitrator by mutual agreement. In the event the parties cannot mutually agree upon the selection of the arbitrator, they will request a list of 7 names from the California State Mediation and Conciliation Service (CSMCS). The fee for CSMCS to provide the list will be shared equally by the parties. The parties will flip a coin to decide who will strike first and will then alternately strike names from the list until 1 person is left who will become the arbitrator. If that person is not willing to serve as arbitrator, the parties will request another list(s) and follow the above procedure until an arbitrator is selected.

ARTICLE 44 – PRINTING NEW CONTRACT BOOKS

44.01 The UNION and SacRT shall share on a 50/50 basis the actual cost of printing new, revised versions of this Agreement, in adequate quantity and quality for distribution to all bargaining unit and management personnel.

ARTICLE 45 – QUALIFICATIONS

45.01 The Parties acknowledge that during negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

45.02 Each of the parties hereto warrants that it is under no disability of any kind that will prevent it from completely carrying out and performing each and all of the provisions of this Agreement, and further that it will not take any action of any kind that will prevent or impede it in the complete performance of each and every provision hereof.

45.03 The individuals signing this Agreement in their official capacity hereby warrant their authority to act for the respective parties.

45.05 Any new conditions pertaining to wages, hours, or working conditions which may arise during the term of this Agreement, and which are not covered or provided for by the terms of this Agreement, shall be subject to negotiation within 10 business days upon written request of the UNION or SacRT.

45.06 This Agreement terminates and renders inoperative all verbal and written Agreements between the parties existing, or made prior to these negotiations.

45.07 This Agreement may only be opened during its term by the parties' mutual agreement in writing.

ARTICLE 46 – ASSIGNABILITY

46.01 During the term of this Agreement, it shall be binding upon the successors and assigns of the parties hereto and no provisions, terms or obligations herein

contained shall be affected, modified, altered or changed in any respect whatsoever by the consolidation, merger, sale, transfer or assignment of either party hereto, or affected, modified, altered or changed in any respect whatsoever by any change of any kind of the ownership or management of either party hereto or by any change, geographical or otherwise, in the locations or places of business of either party.

ARTICLE 47 – TERMINATION AND LEGALITY

47.01 If any provision of this Agreement is subsequently declared by legislative or judicial authority to be unlawful, unenforceable or not in accordance with applicable statutes, all other provisions of this Agreement shall remain in full force and effect for the duration of this Agreement and the parties shall meet as soon as possible to negotiate over a substitute provision.

ARTICLE 48 – TERM OF AGREEMENT

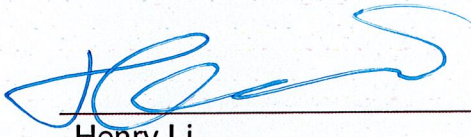

48.01 This Agreement shall be effective January 1, 2021, and shall remain in full force and effect through December 31, 2024. All sections of this agreement shall be prospective, unless expressly stated herein.

48.02 This Agreement shall remain in full force and effect during the period that negotiations are underway until such time as a successor Agreement is executed by the parties, unless adjusted by mutual agreement.
