

SACRAMENTO REGIONAL TRANSIT

EST. 1973

METRO AUTHORIZATION #

Expires on:

Under the terms of Public Utilities Commission General Order 175-A, SacRT is responsible for implementing a program for roadway worker protection. SacRT's On-Track Safety Training and Track Warrant processes are intended to ensure the safety of individuals working within SacRT right of way. Unless an exception applies by virtue of the General Order or a pre-existing agreement with SacRT, completion of this form by third parties is required to obtain permission to apply for a Track Warrant.

APPLICATION FOR ACCESS TO SACRT RIGHT OF WAY OR PROPERTY OR TO PERFORM WORK WITHIN 10 FEET OF SACRT TRACKS

Complete this form to:

- A. Enter SacRT property or approach within 10 feet of the edge of SacRT's tracks in public right of way to inspect or maintain an existing facility, or conduct other non-construction activities (surveys, monitoring, etc.); or
- B. Construct/install new facilities either on SacRT property or within 10 feet of SacRT tracks in the public right of way.

APPLICANT ENTITY: _____ Date: _____

Address: _____ City: _____ State: _____ Zip: _____

Contact Person: _____ Phone: _____

Title: _____ Email: _____

Onsite Foreman, Supervisor or Lead: _____ Phone: _____ Email: _____

Are you performing work on behalf of another entity or project lead? Yes No

Has On-Track Safety Training previously been completed: Yes No Completion Date: _____

Total number of employees working if a Track Warrant is issued: _____

Signed: _____ Date: _____

Print Name: _____

THIS APPLICATION DOES NOT AUTHORIZE ANY ACTIVITIES IN SACRT RIGHT OF WAY.

SacRT will review the application and determine the appropriate form of agreement, if any, necessary to perform the activities described in this application. Please be advised that a \$500 processing fee will apply as well as the applicable fee for the type of agreement required (right of entry, license, easement, etc.). Please mail your check to: Sacramento Regional Transit District, P.O. Box 511608, Los Angeles, CA 90051-8163. Additional Wayside service fees and bus bridge reimbursement costs may also apply.

Completion of On-Track Safety Training will be a prerequisite to perform work in the proximity of the tracks. To avoid delays in work, Contractor is advised to have all workers that may be performing work complete this training at the earliest opportunity. The training is good for two years. To schedule this training, email on-tracksafetytraining@sacrt.com.

Please email the completed form and exhibits to: permits@sacrt.com.

The Applicant may not access SacRT right of way and will not be able to obtain a Track Warrant until all requirements have been met and all internal SacRT approvals have been obtained.

If work is also being performed near UPPR tracks, please contact UPPR separately. SacRT Track Warrants do not apply to working near UPPR tracks.
