**Franklin Boulevard Closure
Thursday, February 12 (8 p.m.) through Tuesday, February 17 (5 a.m.)**

Construction activities related to RT's Blue Line to Cosumnes River College (CRC) light rail extension project will require a complete closure of Franklin Boulevard just north of Cosumnes River Boulevard (between Cosumnes River Boulevard and Camino Royale Drive) beginning at 8 p.m. on Thursday, February 12, 2015, and continuing until 5 a.m. on Tuesday, February 17, 2015.

RT's contractor will be installing light rail tracks across Franklin Boulevard as part of the Blue Line to CRC project. Work will include rebuilding the curb, gutter and sidewalk in this area, completely removing the roadway, and re-paving this section of Franklin Boulevard.

Motorists are advised to use alternate routes. The main detour will be Franklin Boulevard to Cosumnes River Boulevard to Center Parkway to Valley Hi Drive to Franklin Boulevard, and vice versa. Access to Franklin Boulevard via Torrente Way will be closed. Residents will need to use La Solana Way or Valley Hi Drive instead. Access to Franklin Boulevard via Camino Royale Drive will not be affected.

Route 65 (Franklin South) will be temporarily detoured during the closure. Visit sacrt.com for details.

RT will provide updates on Facebook ([facebook/SacramentoRT](https://www.facebook.com/SacramentoRT)), Twitter ([@RideSacRT](https://twitter.com/RideSacRT)) and the project website (blueline2crc.com).
