## Three Smart Ride Zones to Expand on Monday, April 5

To better serve residents of Arden, Carmichael, Folsom, Natomas and North Sacramento, Smart Ride zones in those communities will expand on Monday, April 5.

The Arden-Arcade zone will merge with Carmichael creating the Arden-Carmichael zone, which will provide service to Kaiser Morse and American River College.

The Folsom zone will expand to serve the developing community of Folsom Ranch, south of Highway 50.

The North Sacramento zone will expand further into Natomas serving Arena Boulevard shops, Garden Highway, River Oaks, Gateway Oaks, the University Technical Institute and North Natomas Regional Park. This will become the Natomas-North Sacramento zone.

Smart Ride is SacRT's on-demand ride-share shuttle service where customers can use a smartphone app to request a ride that will pick up and drop them off within the service zone boundaries.

These service areas offer corner-to-corner service where passengers are picked up and dropped off at the nearest corner or 'virtual bus stop,' which is usually within a block or two of the requested pickup or drop-off location. Residents living in gated communities need to board the Smart Ride shuttle at the main entrance gate.

## SacRT is your FREE ride to receive the COVID-19 vaccine

SacRT offers free transit rides for everyone who needs to get to a scheduled COVID-19 vaccine appointment location through Monday, May 31, 2021. This includes all vaccination sites in Sacramento County within SacRT's service area, including hospitals, pharmacies, and other immunization locations.

To ride free, customers only need to show a COVID-19 vaccine appointment confirmation in the form of an email, text, or vaccine card, which will serve as valid fare only on the date noted on the appointment confirmation to ride SacRT's fixed-route bus, light rail, Folsom Stage Line, SmaRT Ride, Causeway Connection or SacRT GO services. When boarding a bus, show the operator either a printout or screenshot on a smartphone, or have ready to show a fare inspector when riding light rail.

*Please note: SacRT is only providing transportation, not administering the COVID-19 vaccine itself.*

For more information on vaccinations, eligibility, and appointments, visit Sacramento County's Coronavirus vaccine website. For those who wish to be notified when they become eligible for the vaccine and schedule their appointment, sign up on the state's website [myturn.ca.gov](http://myturn.ca.gov).

For trip planning assistance visit [sacrt.com](http://sacrt.com) or call 916-321-BUSS (2877). To request a ride on SmaRT Ride on-demand microtransit service, download the free SacRT SmaRT Ride app (App Store or Google Play) or call 916-321-BUSS (2877) for assistance.

*(continued)*

SmaRT Ride service is available in eight different zones throughout Sacramento County. Learn more about SmaRT Ride at [sacrt.com/smartride](http://sacrt.com/smartride).

SacRT GO Paratransit Services subscription customers can book a ride up to two days prior to their scheduled vaccination date. Call 916-321-BUSS (2877), select option 2 to discuss with a SacRT GO reservation specialist. Learn more about paratransit services at [sacrtgo.com](http://sacrtgo.com).

## No Mask, No Ride, No Exceptions

SacRT continues to require anyone waiting at a station or transit center, riding transit (bus, light rail, SmaRT Ride, SacRT GO Paratransit Services, Folsom Stage Line, Causeway Connection, Jibe Express or Rancho Cordova), or visiting the SacRT Customer Service and Sales Center located at 1225 R Street, to wear a mask or face covering.

This mandate is supported by the Centers for Disease Control and Prevention (CDC), which issued a public health order effective as of February 1, 2021, requiring all passengers age two and older riding public transportation to wear a mask or face covering to prevent the spread of COVID-19.

Also, as federal law mandates, people must wear masks or face coverings that cover both the mouth and nose when awaiting, boarding, traveling on, or disembarking public transit. Visit [sacrt.com/covid19](http://sacrt.com/covid19) for more on our COVID-19 precautions.

To learn more about the free rides to vaccination locations, visit [sacrt.com/vaccines](http://sacrt.com/vaccines) or call 916-321-BUSS (2877).

## Need a Mask?

SacRT has continued its partnership with AmeriCorps NCCC members to distribute masks at light rail stations and transit centers during the month. Passengers can also obtain free masks at SacRT's Customer Service and Sales Center located at 1225 R Street (13th Street light rail station).

AmeriCorps is a federal agency dedicated to community service and volunteerism. They provide resources and people power to organizations dedicated to the improvement of communities. For information about AmeriCorps or to become an AmeriCorps member, visit [nationalservice.gov](http://nationalservice.gov).
