

INTRODUCING

The Downtown Riverfront Streetcar

The Downtown Riverfront Streetcar Project is a new 1.5-mile light-rail connection between West Sacramento and downtown Sacramento.

This project will serve as a catalyst for the nation's largest infill development sites; the Sacramento Railyards.

STREETCAR DESTINATIONS INCLUDE

Golden 1 Center

A new, in-fill, basketball arena

Crocker Art Museum

The oldest art museum in the Western US

Old Sacramento

The riverfront Gold Rush-era historic district

Sacramento Valley Station

Historic regional train station

Sutter Health Park

A ball park in a riverfront redevelopment area
