

# The WiFiBUS

The California State Transportation Agency (CalSTA), the City of Sacramento and the Sacramento Regional Transit District (SacRT) have teamed up to equip buses with **free wireless super hotspots in communities** with limited high-speed internet access during the **COVID-19 pandemic**.

The 10 WiFi Buses are outfitted with combinations of equipment provided free of charge by project partners Aruba, AT&T, Cradlepoint, Sierra Wireless, T-Mobile and Verizon Wireless to offer high-speed connectivity with a range of up to 1,800 feet. The WiFi Buses will provide 3.5 hours of wireless broadband service at two locations each day.

## TO GET FREE INTERNET ACCESS:

1. Open **WiFi Settings** and Choose the **"WiFi Bus"** network
2. Choose one of the following purposes when prompted: **School, Personal, Business**
3. Click **"Connect"** and you will be automatically directed to the **Sacramento Public Library** home page for internet access

**Physical Distancing Reminder:** Please make sure you maintain a distance of at least six feet if standing near the WiFi Bus.
